Proceedings: (IN CHAMBERS) SCHEDULING ORDER

On the Court's own motion, the Scheduling Conference set for hearing Friday, January 26, 2024 is VACATED and the following schedule is set.

Counsel's attention is directed to the Court's Civil Trial Order filed concurrently with this Minute Order. Generally, motions should, at the time of filing, be noticed for hearing on the Court's first available motions hearing date. (See <http://www.cacd.uscourts.gov/honorable-josephine-l-staton>) (showing closed civil motions hearing dates); *see also* Local Rules 7-9 & -10 (deadlines for opposition and reply briefs).)

To conform with the Court's presumptive schedule, the schedule set forth below may have been adjusted from that proposed by the parties. (See Order Setting Scheduling Conference at 2.) These dates and deadlines will not be continued except upon a showing of good cause, which generally requires unforeseeable circumstances. *See* Fed. R. Civ. P. 16(b)(4). Failure to conduct discovery diligently or a desire to engage in settlement discussions will not constitute good cause.

The Court will set a trial date and an exhibit conference date at the Final Pretrial Conference. The parties are directed to confer before the Final Pretrial Conference and to identify in the Proposed Final Pretrial Conference Order mutually agreeable trial dates within the 90 days following the Final Pretrial Conference. Where the Court's trial calendar permits, the Court will set the trial for a date agreed upon by the parties.
